June 2021

June Is the Month of Dad!

The month of June is a great time to show dad how much you love and appreciate him. Dads are our teachers, providers, and leaders. They are special, strong, makes us feel safe, they're brave, hardworking, fearless and they love unconditionally. Show dad how much you care this month but spending extra time with him!

TO ALL OUR DADS!

Meet The Educare Family!

Rita Link is an Associate Teacher and has been working at Educare for three and a half years. She loves a good bowl of homemade chili and the color green. She especially loves reading and exploring favorite books with the kids.

"My favorite part about working at Educare is the people we spend time with every day and the close family atmosphere that results."

From Our Executive Director

JA'NEL JAMERSON

Happy Month of the Dad!

We at Educare Flint are excited to honor all of the fathers, grandfathers, uncles, brothers, cousins, and extended family who have earned the coveted title of dad to our students. We celebrate you every day, but we want to make this month special. As we celebrate all that you do, please take a moment to celebrate yourselves on being the first, best, and most important teacher in the lives of your children.

Father's Day is a day honoring fathers, brothers, uncles or any important male figure in your life. We often forget the sacrifices and contributions of our fathers and male figures have made in our lives. Father's Day gives us the opportunity to show and express our love, adoration and gratitude to our special dads. Show them what special place they have in your life and what influence they have on you.

THANKS DAD!
