## May 2022

## Happy Mother's Day

On Sunday, May 8th, we celebrate Mother's Day to show our gratitude to mothers and the many contributions that they have made to better the lives of our children, families, and the communities where we live. We make it a point to spend time with our mother, talk with her, think about her, and find moments to be thankful for all that she has done to better our own lives. Although Mother's Day is only celebrated once a year, we should treat every day as Mother's Day and be thankful for our mother's teachings, unconditional love, guidance, understanding and continuous support!

## Head Start/Early Head Start Re-Enrollment

Parents/Guardians,

It's Re-Enrollment time! The Family Engagement Team at Educare and Cummings have been working hard over the past few months assisting families with gathering the necessary documents and signatures needed to ensure that children who are returning to Educare or Cummings next year are placed in a classroom. If you have not done so already, please talk with Katelyn Broughton or your Family Engagement Enrollment Specialist to review and update your child's file ASAP. Katelyn can be reached at **810-600-5459**. This must be done to ensure your child's placement for the 2022-2023 school year at Educare & Cummings.

Thank you!

## Kindergarten Open Enrollment

Kindergarten Enrollment at all Flint Community Schools Elementary Buildings!! Parents who attend any of the open registration events will receive a golden ticket and entered in our

## Meet the Educare Family!

KENDRA CONLEY-PETERS

Kendra has been working as a Co-teacher at Educare Flint for 4 years. Some of her favorite things include shopping, the color purple and the spring season. Kendra's absolute favorite food is Mexican! If she had a superpower, she would want to be able to read mind so that she can know what people are thinking at all times, or be invisible. What an awesome super power to have!

*"My favorite part about working at Educare Flint is the lesson planning and getting to do them with the class."*

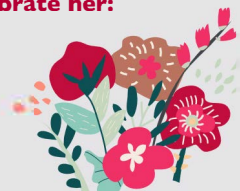

## From Our Executive Director

JA'NEL JAMERSON

We should treat every day as Mother's Day; however, it is one of the best opportunities of the year to teach your children to respect their mom and to thank her in some small way for all that she does! Can you think of some things to celebrate the mother figures in your family?

**Here are some ideas to celebrate her:**

- Make a card
- Bring breakfast in bed
- Draw a picture
- Write a letter
- Make a special gift

Now is also the time for re-enrollment. Please be sure to enroll your child for the 2022-2023 school year!
