June 2022

Celebrate Father's Day!

On June 19th, families from all across our country celebrate Father's Day. It is a day when we spend time with our father and father figures, talk with them or remember our moments shared and be thankful for his unconditional love. It is important to think about shared memories and be thankful for the men in your life who provided guidance, encouragement and support when you needed it most.

As fathers, it is our responsibility to leave a legacy so that our children and generations to come will remember us as the person who they turned to when they needed us and felt the unconditional love of their father.

The smallest moments can make the biggest impact!

Happy Father's Day!!

Mark Your Calendars:

Head Start/Early Head Start Re-Enrollment

Parents/Guardians,

The Family Engagement Team at Educare and Cummings have been working hard over the past few months assisting families with gathering the necessary documents and signatures needed to ensure that children who are returning to Educare or Cummings next year are placed in a classroom. If you have not done so already, please talk with **Katelyn Broughton or your Family Engagement Enrollment Specialist** to review and update your child's file ASAP. Katelyn can be reached at **810-600-5459**. This must be done to ensure your child's placement for the 2022-2023 school year at Educare & Cummings.

Meet the Educare Family!

MIKE KILDEE

Mike has been working at Educare for about 9 months as an Family Engagement Coordinator. He loves to fish, hunt, hike, and go camping. His favorite color is green and he loves fish and seafood. His very favorite season is summer and his current favorite book is *The 1619 Project: A New Origin Story*. If he had a superpower, it would be to remain young so that he could keep up with this kids and grand kids. That sure is an awesome super power!

"What I love about working at Educare Flint is getting to know families and to learn from them. We have a very supportive staff who genuinely care about children, families, and one another."

From Our Executive Director

JANIEL JAMERSON

Happy Month of the Dad! We at Educare Flint are excited to honor all of the fathers, grandfathers, uncles, brothers, cousins, and extended family who have earned the coveted title of dad to our students.

We celebrate you every day, but we want to make this month special. As we celebrate all that you do, please take a moment to celebrate yourselves on being the first, best, and most important teachers in the lives of your children.
