## August 2022

## Soak up Summer & Reflect on The Year!

As summer begins to wind down, and the beginning of a new school year is just around the corner, it is a good time to reflect on your child's early learning experience this past year, and think about what we can do better together as parents and staff at Educare Flint and Cummings in 2022-23 school year.

Always remember that the staff at Educare Flint and Cummings are available to answer any questions that you may have as the beginning of the new school year approaches. Our staff has been trained to partner with your family to provide the best possible early learning experience for your child.

It is very important that your child receive the full benefits of the high-quality early childhood education offered at Educare Flint.

**To receive the full benefits of our early childhood education programs it is important that you:**

- 1 Bring your child to school every day and have them here on time. Have a transportation plan in place before school starts so you know your child will be at school everyday and on time!
- 2 Talk with your child about school every day. Show a genuine interest in what they are doing at school.
- 3 Get to know your child's teachers in the classroom. As a parent, you are your child's first and most important teacher. The teaching staff rely on you so that they can partner with you in your child's early education.
- 4 Get to know the support staff and never hesitate to ask a question, ask for help, or share your thoughts and concerns. We are here to listen!

## Mark Your Calendars:

### Important Dates

- **August 10:** EduShare Market Order Due
- **August 17:** EduShare Market Curbside Pick-Up
- **August 18:** LAST DAY OF SCHOOL

- WIC Project Fresh
- Sloan Museum
- Flint Public Library Events
- For- Mar Nature Preserve & Arboretum

## Meet the Educare Family!

TAYLOR ROUSE

Taylor has been working at Educare Flint for five years as a Lead Teacher. She loves to draw, eat pizza, and the color green. Her favorite season of all is fall because she enjoys all of the beautiful colors the season brings. If she could have any superpower it would be to have super speed because then she could run fast with animals. Taylor's all time favorite book series is by the Flint author, Ashley Antoinette, *The Ethic Series*.

*"I love working at Educare Flint because I love watching the children grow in their abilities and the support that I receive from my co-workers and teammates. It feels like a family, not just a job."*

## From Our Executive Director

JA'NEL JAMERSON

If your child is starting kindergarten or returning back to the classroom this year, we know it can be tough! Here are a few ways that may help stepping back into the classroom:

- Take a peek at Educare Flint's Virtual Tour
- Read books about starting school
- Talk to your child about their feelings towards school
- Practice getting ready for school
- Develop a good bedtime routine
- Make a family picture book to take
- Go school shopping
- Stock up on some healthy snacks

## We can't wait to see you all!
